

"Fishing for Hospice Fun Fishing Derby and Fundraiser"

This is an opportunity for fishermen to raise money for a cause that has helped many people in some of the toughest of times. As fishermen, we are blessed to be able to do what we do and create memories every day on the water that for some last a lifetime. We also tend to be a grounded, competitive, and generous group of people who are willing to reach out to help others. This fun derby is meant to combine these things into an event that enables us to collectively help others.

Who: This event is open to **ALL FISHERMEN** and is being run through the Eastern Lake Ontario Trout and Salmon Association.

All fishermen are invited to participate – both ELOSTA and Non-ELOSTA members (membership is encouraged and will be available at each weigh station)

When: July 6th and 7th

Where: weigh-in will be at Screwy Louie's in Fair Haven and Woody's in Pulaski. These are LOC derby weigh stations as well. Saturday from 9AM – LOC derby close and on Sunday from 9AM until 5PM.

Cost: \$25 per boat (additional donations are welcome)

Please submit pictures of you and crew with fish caught (especially your big ones) or being fought by text with the team name to 315-709-9958.

How to enter: **Print off this sheet with entry form or pick one up at one of the three weigh stations. Bring payment and the filled out form to one of the weigh stations by Friday July 5th at 6PM.**

Two Categories: Single largest salmon AND biggest combined three trout and / or salmon over the two days per boat. **You can bump out UP TO 2 Prior fish weighed in ONLY (so that the weigh stations are not overwhelmed!).**

The two winners will have the donation to Hospice made in either their name, in memory of a loved one, or their team name. Winners will be contacted and results will be made available online as soon as the weights are compiled (hopefully by Sunday evening) on the ELOSTA FB page, ELOSTA website, and LOU.

All Entrants will be entered into generous drawings held at both weigh in stations on Saturday Evening with prizes provided by **Jack Rosenswie, Pro-Troll, Addya, and Indy 500 spoons.** Thank you for helping sponsor this event. Winners will be contacted by phone.

All fishermen are to use their best judgment for their safety and the safety of those they are fishing with.

In the event that you are unable to fish due to weather or other unforeseen issues, please view your entry as a donation to Hospice Care. There will be no refunds for severe weather – we are trying to help people – do not put you or those on your boat in danger for a fish.

This is our opportunity to help others by doing what we love.

Please patronize the weigh stations for helping with this event.

“Fishing for Hospice Fun Fishing Derby and Fundraiser”

Entry Form:

Captain's Name - _____

Captain's Cell Phone Number - _____

Team Name (if have one)- _____

Weigh Station to be used – circle one
