# 2008 32 ft Pro-Line Express

## Everything You Need to Cruise in Comfort:

This Pro-Line Express is outfitted with electronics such as Raymarine C-140 color chart plotter, 48-mile radar, VHF radio, antenna, remote spot light, and power windless. The 5kw generator powers all systems and runs heat and air conditioning comfortably. Stove, refrigerator and microwave round out the galley. Full-size stand up head also doubles as a shower. Stern stateroom complete with its own lighting and air conditioning. Large cockpit with captain's chair and a recliner bench seat to starboard. Stern cockpit features a large folding stern bench and rear facing seat. Comfortably seats 8 adults.

- Raymarine C-140 W color chart plotter, sound, radar. All functions can run simultaneously on the same screen or in any groups desired. Navionics Platinum includes all of the U.S. and Canada.
- Power Trim Tabs allow for weight distribution while underway.
- Custom remote control searchlight controlled from the helm allows for powering directionally.
- Power window vent for front windshield can be operated from the helm.
- Adjustable captain's chair and wheel
- Custom battery charger integrated into electrical system for shore power and DC operation
- Power cockpit washdown
- Aft outside showerhead
- New porthole screens
- Full-height canvas package to comfortably run/fish in the rain.
- Verado Mercury 250 hp 4-strokes. Extremely efficient to run.

## Tournament-Ready Fishing Machine:

- Electronic troll mode allows you to adjust speed in increments of 10 rpm from 550 rpm to 1,000 rpm for either motor. Dial in and maintain down speed with accuracy.
- Custom Big Jon Planner Board system mounted on factory installed tubular rod holder system to expand the width of your planner board troll.
- Great Lakes Planner Integrated Rocket Launchers for 10 rods including specialty tubes for Dipsey Divers (can go negative %) and forward facing dual net tubes.
- Fish Hawk System integrated into helm
- Updated in 2017, Raymarine Sounder to provide the latest high-end imagery for fishing.
- Custom tackle storage designed to perfectly fit rotator/flasher fly combination boxes
- Twin fish lockers are insulated, power bailing, and HUGE.
- Large aerated live well for easy bait prep
- Aft deck floodlights allowing for night fishing with a red glow light system for the helm area to prevent night blindness for the captain.
- Outriggers are brand new, never used and factory integrated into the hardtop.

## Trailer with Ease:

The trailer was purchased separately and bought new. It is an 18,000 lb. triple-axel with heavy duty 10,000 lb. electric winch and electric brakes. The trailer has been customized to trailer the boat to get it under the 13 ft. 6 inch height limit to run over highways. The dry weight of boat with trailer is about 13,500 lb and about 15,500 lb. with fuel and water. Legal to run over any road. Has been successfully trailered with F-450 Dually. Comes with full custom-color coordinated travel cover to snap on when trailering.

## Maintenance:

This boat has been maintained solely by factory-certified Mercury technicians with full preventative maintenance every year.

- All filters, sparkplugs, fluids, gear lube and light bulbs are changed annually, EVERY YEAR. Batteries updated as needed.
- Professional detailing with wax, polish and protectant inside and throughout the interior. Everything is cleaned inside/outside EVERY YEAR.
- Every system is evaluated, tested, and confirmed ready including generator, charging units, refrigerator, stove, air conditioning, fuse panel, and carbon monoxide sensors.

**For sale at \$99,000. Significant buying opportunity over new. Currently berthed in undercover winter storage.**
